Hair Stylist Solutions

VisionOne Service LLC is prepared to bring the future of credit cards sales to the Hair salons of Southern California. For over 35 years we have helped hundreds of businesses with their technology and communication needs. Success in our industry only occurs when prevailing technology is balanced with a commitment to customer satisfaction. VisionOne will provide you with every solution to increase your business to its highest level.

Benefits

- - Credit card purchases are 20%, 30%, 40% higher than cash purchases.
 - Customers purchase services 50% more frequent.
 - Customers prefer to use their credit cards to gain travel points, gift points and maintain accurate records.
 - Credit cards are our future and preferred choice of payment.
 - Quick and trouble-free transactions provide the merchant with the highest quality payment method possible.
 - Omni 3750 application provides **customer gratuity option.**
-
- Sleek, economical, compact design won't clutter counter space.
 - Programmable software and hotkeys provide easy one-touch access to multiple accounts and business-specific applications.
 - Large 2 line x 16 character back light display enhances readability.
 - Capable of handling multiple payment types:
 - Credit
 - Debit
 - Check Verification
 - Pre-paid cards
 - **Gift cards**
 - and many more....
